Mike -- I got your voicemail. I would address your memo to Deirdre Rothery. She is the R8 supervisor responsible for the rulemaking. Claudia can provide her info. Chris

Claudia,

Would you please tell us the formal title of your rule?

We will need to refer to the rulemaking by its formal name in our response.

Thank you!

Stef

Stef,

We are writing a Reservation-specific FIP, which is a rule, but is not a "permit-by-rule" type of rule like 40 CFR 49.162. Our rule requires test methods Methods 21 (LDAR) and 22 (combustors). I think Chris was just providing the letter in question of an example of how you assisted us in the past for Tribal rulemakings.

Contact me or Chris if you have any further questions.

Thanks,

Claudia
